a—Added starter. †Coupled in betting.

Time, 2:20.

Winner—Br. c, by Hamburg—Hurly Burly, trained by J. W. Rogers.

Start good. Won easily; second driving. Burgomaster took command directly after the start and made the running hard held by a wide gap throughout and never at any time was menaced by the others. The Quail, after trailing patiently in the rear for over a mile, closed up in the final quarter of the stretch, gamely earning second place. Accountant was in strenuous pursuit of the winner from the start and, after looming up well on the last turn, commenced to bear out all through the last quarter, finishing on the extreme outside and must have lost a half dozen lengths. Pegasus moved up rapidly when half way home and appeared to have a chance for second place when a furlong out, but tired right at the end under a poorly judged ride. Bohemian never was dangerous and finished far back and appeared poorly, being dry and unfit. Cassini was far outclassed.
